

NEW CITY SCHOOL SUPPLY LIST 2017-18

New City School's learning environment promotes cooperation and community building. New City School encourages shared-use of many classroom materials (especially in elementary classrooms). Please purchase the following items for your child/ren. Please do not label the sharable materials with your child's name (pencils, crayons, watercolor, glue, etc.). We are also asking for a \$40 contribution for each of our students (\$20 for Middle School students) to cover the cost of additional supplies and snacks which are part of our daily rhythm. If you would like to contribute more money to support other children you are welcome to do so.

Thank you!!
