Students will be testing promptly at 10:30. Please make sure your child is at school on time! Each testing session is 45 minutes. If your child is absent, we will schedule make-up sessions to make sure your child has adequate time for completion. Should your child not complete the test in their scheduled times, we will give them an extra testing session. The state does not limit the time on the tests.

All reading and math make-ups will be completed by May 4th.  
All science make-ups will be completed by May 11th.
